

# SAFETY CERTIFICATE

It is to certify that I have personally inspected the school building of  
"KVM PUBLIC SCHOOL" on dated 09-12-2010 situated at Ladhot Road, Rohtak.

Run By: Maina Education Society, Rohtak

We found the material used for the construction Building are of good quality.

1. The various school buildings blocks were constructed in the year 2001, 2010 and 2022 as per statement of school authorities.
2. The building safe structural against earthquake and airy.
3. The condition of the buildings appears to be structurally safe.
4. Presently there are no cracks visible in the existing building structure.
5. Buildings have RCC roof with columns & beams with bricks walls.
6. Plinth level of the building is approx. 1 ½ ft. below from the main road as compared to level of surrounding areas.
7. The school building is proper planned, ventilated and spacious as per engineering norms.
